Dear Colleague,

The American Society of Industrial Security (ASIS) Pittsburgh Chapter wants to promote the long term partnership that exists between private sector end users and the numerous products and service providers throughout the Pittsburgh region. Therefore the current leadership is working hard to coordinate a Vendor Expo and Education Seminar in place of the November 2015 meeting. We are also going to take advantage of the venue and colleague attendance to conduct Law Enforcement Appreciation.

Thursday, November 5, 2015 ~ Sheraton Station Square ~ Event format:

9:00 am – Vendor Expo and Continental Breakfast – Reflections Room

11:00 am – Education Seminar – Admiral Dining Room

12:00 pm – Lunch – Admiral Dining Room

1:00 pm – Law Enforcement Appreciation Awards – Admiral Dining Room

2:00 pm – Vendor Expo – Reflections Room

Vendor Benefits

- Sponsorship increases your company's visibility.
- Attendance at social/networking event. Build and reinforce relationships beyond just the show floor to drive new business throughout the year.
- A proven commitment to industry leadership and reinvestment. The event is produced by the preeminent organization for security professionals, with your participation fueling education and advocacy programs that directly support the profession and advance the industry.

As an added benefit The ASIS Pittsburgh Chapter vendor committee will conduct an Accolades Competition that will provide additional exposure for vendors with new products and service innovations. Each vendor will have their presentation reviewed by the Leadership Board Committee. The top three presentations will be allowed to showcase their exhibitions during the Educational Seminar prior to the luncheon.
