**DEPLOYED FOR:** BOARD/SHAREHOLDERS MEETINGS • CONFERENCES  
BUSINESS RETREATS • RELIGIOUS GATHERINGS • SPORTING EVENTS

Following the extensive planning and preparation, assurance that your special event will be uninterrupted and operate in a secure environment is paramount. The MSA Special Events Team will liaise with local law enforcement networks, partner with private security teams and coordinate with event planners to ensure that your event runs smoothly.

## WHY MSA SPECIAL EVENT TEAMS WORK

- MSA Special Event Teams are supported 24/7 with the latest intelligence on potential hostile/disruptive groups to the event. ***Our teams are equipped with the latest technology and information, ensuring a competitive edge over assailants.***
- Operatives are all former law enforcement and military personnel, and are fully trained to mitigate hazardous material incidents, hostile intruders, unauthorized trespassers, suspicious or unattended packages and emotionally disturbed persons. ***Unparalleled experience means having the strongest team on your side.***
- MSA has extensive contacts and relationships with countless law enforcement organizations around the world. ***Special Event Teams liaise with local, state and federal law enforcement to gather the most up-to-date information on any and all threats concerning high level VIPs.***
- MSA Special Event Teams have been involved in the security of some of the largest, most influential events in the world. ***No matter the scale of the event, our clients benefit from MSA's deep understanding and critical on-the-ground experience.***
- Background checks of event staff, analysis of protest groups in the vicinity and ensuring the safe arrival of attendees are examples of the level of detail executed by MSA operatives prior to an event. ***Unmatched service that goes above and beyond any other special events company ensures your event will flow seamlessly.***

**MSA SPECIAL EVENTS OFFERS A COMPLETE SERVICE TO GIVE YOU PEACE OF MIND THAT YOUR ATTENDEES WILL BE SAFE AND YOUR EVENT WILL TAKE PLACE IN A SECURE ENVIRONMENT.**

## MSA SPECIAL EVENTS MAINTAINS BUSINESS-AS-USUAL

- A high profile production company held a special event for staff at a major professional sports facility. MSA managed the security of the stadium, coordinated the logistics and liaised with local law enforcement to ensure the seamless and safe arrival of attendees from the airport to the event venue and on through a full weekend itinerary that stretched across a major metro area.
